Complete Version History of Published Works

June 2014 First/Second Editions:

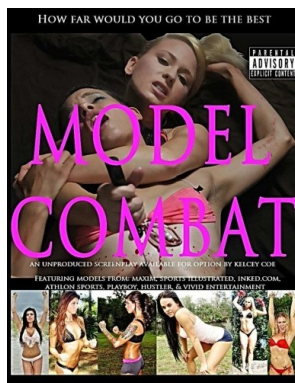

nv. 8.5x11. 92 pg/160. refflist. ISBN: 1500326518 ISBN-13: 978-1500326517

* The first copy was pulled almost immediately for many errors involving grammar and formatting and style. It exists only as a proof dated June 19, 2014.

1st: (original portrait gallery bloody cover)

2v5: Main cover with celebrity portraits at bottom

Based on digital proofs, v1 would have been dated June 19, 2014 and v25 (the fifth rewrite in the second draft) was June 28, 2014. It was not uncommon for me to update my books with changes constantly, I was and still am pretty OCD with that sort of thing which is why I later just made a new book for new changes.

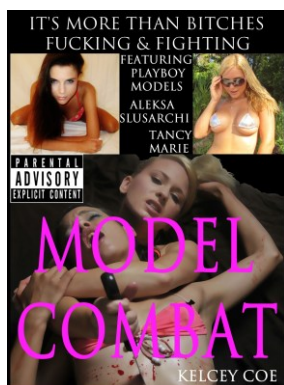

3v6 Edition
